WWW.RESCUEALIVE.COM

This workshop and training offered by BPC Rescue is designed to acquaint the student with equipment and techniques used by today's rescue teams. Students should seek additional training whenever possible to perfect these skills.

The above statement notwithstanding, the field practical portion of this course will place both physical and mental strain on the student. Your total attention and participation in a professional manner are required. By your signature below you agree to abide by the rules set forth and obey the instructions given by our instructors. In addition you agree to accept any and all risk associated with this program. You retain the right to participate in any portion of the field exercises based upon your level of comfort and ability.

In consideration of being allowed to participate in this course, the undersigned agrees that he or she is at least 18 years of age. Further the student for himself / herself, their spouses, heirs, legal representatives and assigns releases the host agency and BPC Rescue Equipment, Inc., its owners and agents from all claims, actions, judgments and executions known or unknown that the applicant has had, may have had or may have in the future arising directly or indirectly from this class. I, the undersigned, further knowingly assume all risks associated with this workshop and hold BPC Rescue Equipment, Inc., its owners or agents, harmless for all liability, loss or damage as a result of participation in this workshop.

I have read and understand this statement. I sign it as my free and voluntary act.

REGISTRATION: Applications must be received one month prior to class start date.

CANCELLATIONS & REFUNDS: Cancellations prior to two weeks before class date will receive a full refund less 20% of total class fee. Cancellations inside of two weeks before class date will not receive a refund unless a qualified replacement can be found.

In the event that BPC Rescue must cancel a course date students will receive a full refund and will be notified of cancellations as soon as practical to do so. BPC Rescue is not responsible for any additional student expenses including lodging.

TECHNICAL RESCUE CLASSES REQUIRED EQUIPMENT: Students should bring an NFPA class III harness, rescue style helmet and a pair of rope gloves. Foul weather gear and clothing appropriate for changing weather conditions should be considered. Work or hiking type boots (broken in) for this type of activity should be worn. Pizza or sandwich type meals will be available for purchase during outdoor sessions each day. Water will be provided and bring snacks if you need them. Please call for complete details prior to class date — 1-800-423-0686.

ICE RESCUE CLASSES REQUIRED EQUIPMENT: Students should be prepared for extreme cold conditions and dress appropriately for outdoor sessions. A change of clothes is recommended. If you are able to provide your own ice rescue dry suit, please do so. We do not charge for using dry suits but have a limited number available. Additional suits help expedite student change times. Please call us for complete details prior to class date — 1-800-423-0686.
